Elias Calles, Carranza commander there, reached Naco, the Mexican town across the border from here today, and told American army officers that four Americans had been shot down by Salles's troops while succoring wounded under a Red Cross flag in front of the breast-

Who Are "Just Ready to Drop"

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about-and be cause you have not slept well, you when you went to bed, you need help, You can get it just as Mrs. Maxwell

did. She says: "I keep house for my little family of three, and became completely rundown. I was weak, nervous and could not sleep; finally I was unable to do my house-work. A friend asked me to try Vinol. I did so and improved rapidly. It toned up my system, I re gained my strength, am no longer nervous, sleep well and do all my housework." Mrs. J. C. Maxwell,

Montgomery, Ala. There is no secret about Vinol. It owes its success to the medicinal extractives of fresh cod livers, tonic iron and beef peptone, the oldest and most famous body-building and

strength-creating tonics. So many letters like the above are continually coming to our attention, that we freely offer to return the money paid for Vinol in every case where it fails to give satisfaction. cape, but did not know where his W. L. Gokay, Druggist, Bennington, Vt.
